

The Spa

at the Hotel Eldorado

The Spa gives top priority to the revitalization of body, mind and soul, through balanced treatments designed to soothe and relax you. When your stress goes away you feel lighter, when you feel relaxed you have a renewed enthusiasm for life regardless of your age, when you understand your own body and its signals, you then begin to appreciate your own health, and what it means to feel great.

Body Treatments

Reflexology

A form of foot therapy that benefits the entire body. By massaging reflex points on the feet this increases circulation, decreases stress and brings balance into the body.

45 minutes
\$55

Sea Salt Body Scrub

Mineral rich sea salts are combined with wild seaweeds and massaged over your body to cleanse, exfoliate, remove toxins and stimulate circulation. We finish the treatment by massaging the body with our detoxifying seaweed massage oil leaving your skin irresistibly soft and supple. You will be radiating from the inside out!
